7 Unlisted classifications needed for work not included within  
8 the scope of the classifications listed may be added after  
9 award only as provided in the labor standards contract clauses  
0 (29 CFR 5.5(a)(1)(v)).

1 -----  
2 In the listing above, the "SU" designation means that rates  
3 listed under that identifier do not reflect collectively  
4 bargained wage and fringe benefit rates. Other designations  
5 indicate unions whose rates have been determined to be  
6 prevailing.

7  
8 WAGE DETERMINATION APPEALS PROCESS

9  
0 1.) Has there been an initial decision in the matter? This can  
1 be:

- 2  
3 \* an existing published wage determination  
4 \* a survey underlying a wage determination  
5 \* a Wage and Hour Division letter setting forth a  
6 position on a wage determination matter  
7 \* a conformance (additional classification and rate)  
8 ruling

9  
0 On survey related matters, initial contact, including requests  
1 for summaries of surveys, should be with the Wage and Hour  
2 Regional Office for the area in which the survey was conducted  
3 because those Regional Offices have responsibility for the  
4 Davis-Bacon survey program. If the response from this initial  
5 contact is not satisfactory, then the process described in 2.)  
6 and 3.) should be followed.

7  
8 With regard to any other matter not yet ripe for the formal  
9 process described here, initial contact should be with the Branch  
0 of Construction Wage Determinations. Write to:

1  
2 Branch of Construction Wage Determinations  
3 Wage and Hour Division  
4 U. S. Department of Labor  
5 200 Constitution Avenue, N. W.  
6 Washington, D. C. 20210

7  
8 2.) If the answer to the question in 1.) is yes, then an  
9 interested party (those affected by the action) can request  
0 review and reconsideration from the Wage and Hour Administrator  
1 (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

2  
3 Wage and Hour Administrator  
4 U.S. Department of Labor  
5 200 Constitution Avenue, N. W.  
6 Washington, D. C. 20210

7  
8 The request should be accompanied by a full statement of the  
9 interested party's position and by any information (wage payment

0 data, project description, area practice material, etc.) that the  
1 requestor considers relevant to the issue.

2

3 3.) If the decision of the Administrator is not favorable, an  
4 interested party may appeal directly to the Administrative Review  
5 Board (formerly the Wage Appeals Board). Write to:

6

7           Administrative Review Board  
8           U. S. Department of Labor  
9           200 Constitution Avenue, N. W.  
0           Washington, D. C. 20210

1

2 4.) All decisions by the Administrative Review Board are final.
